

BENTON COUNTY IOWA 2016

MULTI-JURISIDCTIONAL HAZARD MITIGATION PLAN

**Hazard Mitigation Planning Committee Lead: Scott Hansen, Benton County
EMA Coordinator**

**Plan Prepared by Steve Meyer Consulting LLC, P.O. Box 247, Garrison,
Iowa, 52229. ph. 319-477-5041 e-mail gfdchief@netins.net**

INDEX

The Benton County Multi-Jurisdictional Hazard Mitigation Plan is organized into seven sections: Introduction and Profile, Resolutions, Planning Process, Hazard Analysis, Risk Assessment, Mitigation Strategy, and Plan Maintenance. The seven sections are consistent with the multi-hazard mitigation planning guidance issued by the Federal Emergency Management Agency (FEMA), the Iowa Department of Homeland Security and Emergency Management, and the Iowa Hazard Mitigation Plan of 2013.

The plan sections and primary subsections are shown in the table of contents to follow:

	PAGE
SECTION 1: INTRODUCTION AND PROFILE	1
INTRODUCTION	1
Executive Summary	1
PLANNING AREA PROFILE AND CAPABILITIES	3
Geography	5
Rivers, Streams and Watersheds of Benton County	21
History	25
Climate	26
Population Demographics	
And Housing Information Including Special Needs Populations	27
Income	30
Economic Development	34
Benton County Property Values and Inventory of Assets	35
Benton County Historical Properties	43
Benton County Businesses, Industries and Commerce	44
Agriculture in Benton County	45
Benton County Transportation Systems	46
Emergency Services of Benton County	49
Benton County Education Systems	51
Flood and National Flood Insurance Program (NFIP) Information	53
Repetitive Loss Properties	54
Benton County Government	55
Benton County Parks and Recreation Areas	56
Critical Assets of Benton County	60
Land Use	60
COMMUNITY PROFILES	61
Atkins	61
Belle Plaine	67
Blairstown	73
Garrison	79
Keystone	85
Luzerne	91
Mt. Auburn	97
Newhall	103

Norway	109
Shellsburg	115
Urbana	121
Van Horne	127
Vinton	133
Walford	142
Benton County Unincorporated	148
Benton County Totals	155
PAST DISASTERS AND DISASTER DECLARATIONS	157
PREVIOUS HAZARD MITIGATION PLANNING	158
CURRENT AND HISTORIC MITIGATION ACTIVITIES AND MEASURES	159
<i>SECTION 2: RESOLUTIONS</i>	166
RESOLUTIONS ADOPTING THE PLAN	166
Benton County	167
Atkins	168
Belle Plaine	169
Blairstown	170
Garrison	171
Keystone	172
Luzerne	173
Mt. Auburn	174
Newhall	175
Norway	176
Shellsburg	177
Urbana	178
Van Horne	179
Vinton	180
Walford	181
<i>SECTION 3: PLANNING PROCESS</i>	182
PARTICIPANTS	182
BACKGROUND	184
PURPOSE	184
SCOPE	185
STAKEHOLDERS	186
AUTHORITY	187
FUNDING	187
PLANNING PROCESS	187
<i>SECTION 4: HAZARD ANALYSIS</i>	195
IDENTIFYING HAZARDS	195
CRITERIA AND INFORMATION USED TO IDENTIFY HAZARDS	200
HAZARD SCORING METHODOLOGY	204
HAZARD PROFILES	207
Animal/Plant/Crop Disease	208
Drought	211

Extreme Heat	214
Flash Flood	220
Grass or Wildland Fire	240
Hazardous Materials	243
Human Disease	249
Infrastructure Failure	256
River Flood	259
Severe Winter Storm	278
Structural Fire	285
Terrorism	288
Thunderstorm/Lightning/Hail	291
Tornado/Windstorm	302
Transportation Incident	310
HAZARD ANALYSIS SUMMARY	316
RANKING OF HAZARDS	324
HAZARD PRIORITIZATION	325
<i>SECTION 5: RISK ASSESSMENT</i>	326
ASSESSING VULNERABILITY	326
REPETITIVE LOSS PROPERTIES	328
IDENTIFYING STRUCTURES	329
Building Stock-- All Properties	329
Potential Flood Losses	334
CRITICAL FACILITIES	341
PARKS AND RECREATION AREAS OF BENTON COUNTY	357
BENTON COUNTY HISTORICAL PROPERTIES	360
TRANSPORTATION SYSTEMS	361
LIFELINE UTILITY SYSTEMS	364
ESTIMATING POTENTIAL LOSSES	365
Flooding—Flash Flood and River Flood	365
Extreme Heat	367
Thunderstorm/Lightning/Hail	370
Grass or Wildland Fire	375
Severe Winter Storm	375
Drought	379
Earthquake	380
Landslide	380
Expansive Soils	380
Dam Failure	381
Tornado/Windstorm	382
ANALYZING DEVELOPMENT TRENDS	387
PAST DISASTERS AND DISASTER DECLARATIONS	405
<i>SECTION 6: MITIGATION STRATEGY</i>	406
HAZARD MITIGATION PLAN GOALS	406
MITIGATION STRATEGY OVERVIEW	407
MITIGATION MEASURES (ACTION STEPS)	408

Action Step 1-- EMS training	408
Action Step 2-- Develop and enhance local emergency operations plan	409
Action Step 3-- Establish community emergency response teams (CERT)	410
Action Step 4-- Improve public awareness of hazard risks and educate the public	411
Action Step 5-- Emergency/disaster response training and exercises	412
Action Step 6-- Maintain well-trained and viable law enforcement agencies	413
Action Step 7-- Mandate installing visible house numbers or property markers	414
Action Step 8-- Compliance with FCC 2013 Radio Frequency regulations	415
Action Step 9--Maintain electronic resource directory	416
Action Step 10--Encourage residents to have Disaster Supply Kits on hand	417
Action Step 11--PPE for first responders	418
Action Step 12-- Promote NOAA weather radio use	419
Action Step 13-- Purchase new ambulances and first responder units	420
Action Step 14-- Maintain well equipped and well trained fire departments	421
Action Step 15-- Identify location for and construct new fire station	422
Action Step 16-- Install back-up power sources	423
Action Step 17--Develop Community Emergency Shelters	424
Action Step 18-- Prepare/Implement mass casualty incident plans	425
Action Step 19-- Tree-trimming	426
Action Step 20-- Continuity of Government/Continuity of Operations Planning	427
Action Step 21-- Continue HAZMAT agreements/support regional HAZMAT teams	428
Action Step 22-- Ensure that first responders are properly trained for HAZMAT event	429
Action Step 23-- Develop debris disposal site	430
Action Step 24—Develop/publicize city evacuation plans	431
Action Step 25—Construct public tornado safe rooms at vulnerable points	432
Action Step 26—Work with utility companies to bury utility lines	433
Action Step 27—Improve outdoor warning siren system	434
Action Step 28—Implement system to backup city and county files and records	435
Action Step 29—Maintain and enhance storm spotter training	436
Action Step 30--Purchase standby (trash) pumps	437
Action Step 31-- Update sanitary sewer system and reduce water infiltration	438
Action Step 32-- Rescue/extrication equipment and training	439
Action Step 33-- Require the installation of back flow valves	440
Action Step 34-- Functional needs registration program	441
Action Step 35-- Laptop computers with satellite downlinks for first responder vehicles	442
Action Step 36-- Encourage construction of tornado safe rooms	443
Action Step 37--Conduct study on use of sump pumps	444
Action Step 38--Improve storm sewer drainage	445
Action Step 39--Have sand, sandbagging equipment, sandbags on hand	446
Action Step 40-- Develop a written flood plan	447
Action Step 41--Floodplain Manager Training	448
Action Step 42--Continue to evaluate critical public utilities for flood proofing	449
Action Step 43--Identify, purchase, remove, structures in danger of being flooded	450
Action Step 44--Raise road grades to eliminate backup flooding damage	451
Action Step 45--Compliance with National Flood Insurance Program regulations	452
Action Step 46--Elevate structures above flood plain level	453
Action Step 47--Implement Operation Lifesaver program	454
Action Step 48--Identify special needs of first responders	455

Action Step 49--Improve safety at rail crossings	456
Action Step 50- Establish good neighborhood programs for winter storms	457
Action Step 51--Enforce snow removal policies	458
Action Step 52--Develop plans to address utility outages and emergencies	459
Action Step 53--Develop/maintain security at city/county facilities	460
Action Step 54--Develop alternative energy sources	461
Action Step 55--Purchase snow removal equipment	462
Action Step 56--Adopt county-wide building codes	463
Action Step 57--Improve awareness of animal disease hazard risks	464
Action Step 58--Maintain response air transportation incident	465
Action Step 59--Maintain/publicize a list of public cooling shelters	466
Action Step 60--Ensure that Tier II Reports are being filed	467
Action Step 61--Purchase new or used fire apparatus	468
Action Step 62--Identify critical facilities that contain hazardous materials	469
Action Step 63—Recognize that language barriers may exist	470
Action Step 64--Encourage citizen use/purchase of smoke detectors	471
Action Step 65—Investigate/develop alternative water sources for fire suppression	472
Action Step 66--Establish ordinance to require fire extinguishers in multi-family units	473
Action Step 67--Encourage restricted entry into livestock facilities	474
Action Step 68--Maintain awareness of pipeline locations and locating procedures	475
Action Step 69--proper response to animal/plant/crop disease incidents	476
ANALYSIS OF MITIGATION ACTIVITIES—STAPLEE CRITERIA	477
PRIORITIZING MITIGATION MEASURES	483
BENEFIT COST ANALYSIS OF MITIGATION MEASURES	488
IMPLEMENTATION STRATEGY	496
Atkins Mitigation Strategy	497
Belle Plaine Mitigation Strategy	502
Blairstown Mitigation Strategy	506
Garrison Mitigation Strategy	509
Keystone Mitigation Strategy	513
Luzerne Mitigation Strategy	516
Mt. Auburn Mitigation Strategy	519
Newhall Mitigation Strategy	522
Norway Mitigation Strategy	525
Shellsburg Mitigation Strategy	529
Urbana Mitigation Strategy	532
Van Horne Mitigation Strategy	535
Vinton Mitigation Strategy	539
Walford Mitigation Strategy	543
Benton County Mitigation Strategy	546
SECTION 7: PLAN MAINTENANCE	549
MONITORING, EVALUATING AN UPDATING THE PLAN	549
INCORPORATION INTO EXISTING PLANNING MECHANISMS	550
CONTINUED PUBLIC INVOLVMENT	550

APPENDICES

- Appendix A: Glossary
- Appendix B: Benton County Survey Results
- Appendix C: Meetings and Work Sessions
- Appendix D: School District Information
- Appendix E: Vinton Municipal Electric Utility Information
- Appendix F: Plan Changes
- Appendix G: Final Approval
